Hi Cheryl, On May 19th I visited [REDACTED] facility, the owner requested I stop in and look at the fixes he had done so far. Sorry it took me so long to get these photos to you. Attached is a photolog with a brief description of each photo and the areas that were addressed prior to May 19th. If you have any questions please call to discuss.

Please pass this on to Ben, I do not believe I have his email.
